How to get to the holiday apartment Bärghüsi

By car

From Elsigbach drive along the old Adelboden road. After about 1.1 kilometers there is a holiday home to the left with blue window shutters and a prominent concrete car port. Turn steep left immediately in front of this house and after about 130 meters turn left again. Our two parking spaces are located here, about 40 meters in front of our neighbor's farm house (Marmet family). From there you can get to the holiday apartment on foot in a few minutes (approximately 300 meters).

With public transport

During peak season there is a taxi bus from the train station Frutigen to Elsigbach (reservation +41 33 671 33 33). From Elsigbach you can get to the apartment on foot in about 30 minutes.

In the off-season take the bus Frutigen-Adelboden to the stop *Hirzboden*. From here you can reach the apartment on foot in about 45 minutes.

A further convenient alternative is the efficient taxi service Bergmann (taxi-bergmann.ch/) which will take you from the train station Frutigen directly to the Marmet family farm house from where you can get to the apartment in a few minutes.
